**Merwin IV & Specialty Pharmacy
RECEIVES ACCREDITATION WITH ACHC**

New Hope, MN, Merwin IV & Specialty Pharmacy proudly announces its award of accreditation status by the Accreditation Commission for Health Care, Inc. (ACHC) for the services of infusion pharmacy. Merwin IV & Specialty Pharmacy is a privately held infusion company owned by Robin Drug Corporation. It provides services that include: antibiotics, antiviral, IV nutrition, hydration and pain management. It has extensive experience in long-term care and skilled nursing facilities. Merwin IV & Specialty Pharmacy is dedicated toward customer service and growing its partnership with care facilities. Merwin charts each patient individually and creates care plans for each therapy. We arrange and customize deliveries to maximize care and minimize waste.

ACHC, a private, not-for-profit corporation which is certified to ISO 9001:2000 standards, was developed by home care and community-based providers to help companies improve business operations and quality of patient care. Referring to the value of accreditation, ACHC President Tom Cesar indicated, "The survey process leads an organization to examine its policies and practices continually to clarify its strengths and improve its weaknesses."

Accreditation is a voluntary activity where healthcare organizations submit to peer review of their internal policies, processes and patient care delivery against national standards. By attaining accreditation, Merwin IV & Specialty Pharmacy has demonstrated its commitment to maintain a higher level of competency and strive for excellence in its products, services and customer satisfaction.
